Regional Directors  
Schools Division Superintendents  
Public and Private Elementary and Secondary Schools Heads  
All Others Concerned

1. The **School Calendar for School Year (SY) 2016-2017** shows the school events and activities for the said SY. The core events and activities for this SY, which represent the actual teaching-learning days, shall be strictly observed in all schools.
2. The SY 2016-2017 shall begin on **Monday, June 13, 2016** and shall end on **Friday, April 7, 2017**. The SY will consist of 202 school days, inclusive of the five-day In-Service Training (INSET) break. The different school events and other activities for **learners**, including the regular and special non-working holidays, are contained in Enclosure No. 1.
3. Private schools may deviate from this School Calendar. However, they may not start classes earlier than the first Monday of June and not later than the last day of August, as provided for in Republic Act No. 7797 entitled *An Act to Lengthen the School Calendar from Two Hundred (200) Days to Not More than Two Hundred Twenty (220) Class Days*. They should notify their respective regional offices (ROs) in advance regarding any deviation.
4. Specific guidelines are found in Enclosure 2 to enable the schools to effectively and efficiently conduct school events and activities, and to allow the ROs and schools division offices (SDOs) to provide support to the schools, especially in the areas of instruction, and progress monitoring and evaluation.
5. Activities and observances mandated by law can be found in Enclosure 3 while events and activities which pertain to DepEd personnel are listed in Enclosure 4. Schools may observe national and local celebrations/activities and holidays other than those indicated in Enclosure 3, provided that the total number of school days shall not be compromised.
6. Make-up classes can therefore be conducted to compensate for the school days spent for activities deemed beneficial to the teaching-learning process. Likewise, make-up classes are recommended in lieu of class cancellations due to occurrence of natural and man-made calamities. A mechanism for having make-up classes must be agreed upon by the school administrators and parents. In this regard, the RO may issue a regional school calendar to reflect their respective concerns.
7. Immediate dissemination of and strict compliance with this Order is directed.

1. The school year shall formally open on **June 13, 2016, Monday** and shall end on **April 7, 2016, Friday**. The school year shall consist of 202 class days. This is inclusive of the five-day semestral break. To ensure quality in the school operation and actual teaching-learning, a 180-day non-negotiable contact time for teachers, and the physical presence of school heads in school shall be enforced.
2. As part of the opening rites, all schools are expected to conduct a general assembly to orient stakeholders on the curriculum, programs, and ancillary services supporting learner development and the continuous improvement of school outcomes. The orientation and first Parent-Teacher Conference shall be done at least a week before the first day to ensure that conduct of classes is done from the first day of classes. For Grades 9-11, a career guidance program shall be conducted between July and November 2016 to help prepare the students for possible careers or courses they wish to pursue after high school.
3. Parent-teacher conferences shall be conducted every quarter and shall be held on a Saturday, except on the last conference in April 2017. The conference is intended to apprise the parents on the progress of performance of their children and ensure parental involvement in school activities.
4. All elementary schools shall administer the *Early Childhood Development (ECD) Checklist* for Kindergarten Children during the opening of classes, midyear, and end of school year. The result will be used as basis for planning and formulating appropriate interventions for children.
5. At the end of the Second Quarter, a semestral break shall be observed to evaluate individual teachers and their collective performance, as well as to conduct the In-Service Training (INSET) activities in support of their continuing professional development.
6. The Christmas break shall begin on **December 22, 2016, Thursday**. Classes shall resume on **January 2, 2017, Monday**.
7. To assure quality of the learner's education, formative assessments shall be regularly conducted by the teachers. On the national level, the Bureau of Education Assessment, formerly National Education Testing and Research Center, shall administer the *National Career Assessment Examination (NCAE)*, the *Language Assessment for Primary Grades (LAPG)* and the *National Achievement Test (NAT)*. The NCAE shall be conducted to assess the aptitude and interests of high school students who plan to proceed to post-secondary courses and other career options and to provide them with relevant information on their skills, abilities, and readiness for academic and non-academic courses which will help them make informed career decisions. The LAPG shall be conducted to measure the literacy skills of the learners in their respective Mother Tongues, Filipino and English, and the NAT shall be conducted to measure what learners in Grade 7 and Grade 10 know and can do in five learning areas (Science, Mathematics, English, Filipino and Araling Panlipunan) and to assess the attainment of 21<sup>st</sup>-century skills.
8. The summer/remedial classes shall begin on **April 17, 2017, Monday** and end on **May 31, 2017, Saturday**, the last day for the final examination. A separate issuance regarding the conduct of summer classes shall be released.
