The Cousins

One day, Doro invited his cousin Dino to their farm. Doro wanted to ride on his carabao and he invited Dino to join him. Dino refused saying he didn't know how to ride on a carabao. Doro told Dino that he would teach him. So Doro got his carabao and rode easily. Then he assisted Dino to ride by holding his hand. At first Dino was afraid, but when he tried he did not feel afraid any longer.

They saw fields planted with vegetables and trees. Cows, carabaos and goats eating grasses. Also, they reached the clean Calaba River and saw the Calaba Bridge .They let the carabao swim. They were very happy when they saw fish and tried to catch but the fish swim quickly .They saw fishermen ,too. They caught lot of fish and one of the fishermen gave them a fish. The cousins thanked the fisherman and they went home happily.
