Sir;

The Philippine Science High School Cordillera Administrative Region Campus aim to promote Science, Technology and Mathematics through the scholarship program being offered by the system under the Department of Science and Technology.

In line with this, the campus will conduct a school-to-school CARAVAN or campaign which will include an activity that will serve as an opportunity to all students who are passionate in STEM subjects or known as the "PISAYKLABAN 2019" which will be on July 4, 2019. Our team will be arriving on the 1<sup>st</sup> of July in your province to conduct the said event.

With this, may I request for your endorsement to schools under each municipalities to participate in the **NATIONAL COMPETITIVE EXAMINATION CARAVAN** and **PISAYKLABAN**? We have one hundred fifty (150) slots waiting to be filled in for the PISAYKLABAN (See attached registration form). For further clarifications, you may contact us at 09389239795 and look for Mr. Jesrill G. Tayag.

Hoping for your favorable response and looking forward for a good partnership with you.

Very truly yours,

**DR. CONRADO C. ROTOR, JR.**  
 Campus Director
