Bangued, Abra

Document Code: SDOABRA-QF-OSDS-SDS-001

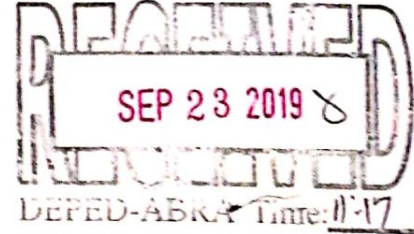

Revision: 00

Effectivity date: 01-14-2019

Division Memorandum
No. 297 s. 2019

VALIDATION OF LAST MILE SCHOOLS DATA

To: Elementary and Secondary School Heads
All others concerned

1. The Last Mile School is a flagship program to close the gaps between school in geographically challenged areas and their counterparts in urban areas in terms of school facilities, buildings, provisions of instructional and learning materials, electric and internet connectivity, and other basic inputs for Public Schools of the Future. It is an initiative to ensure that schools in far flung areas and those who have not meet the standard allocation criteria for basic inputs will not be left behind towards achieving our main thrust in providing accessible, quality, relevant, and liberating education to Filipino learners.
2. In this regard a workshop will be conducted on September 27, 2019 at Bangued West Central School Social Hall to be participated by all identified Last Mile Schools to input the updated data provided in the template. The output of this workshop will be submitted to the Office of the Planning Unit for consolidation and submission to the Education Management Information System Division-Planning Service (EMIS-D PS). Participants are advised to bring their laptops and 2018 school profiles.
3. Expenses incurred during this activity will be borne by schools subject to the usual accounting and auditing rules.
4. For immediate attention and compliance.

GLORIA B. BUYA-AO
Schools Division Superintendent
