TO: Asst. schools Division Superintendent
Education Program Supervisor
Public Schools District Supervisors

1. The sudden shift of instructional modalities brought about by Covid 19 created a wide gap on how instruction is delivered. Considering the current situation that the teachers are not in direct contact with the learners, thus the parents, older sister or brother in the family, para-teachers, and other professionals are taking the responsibility of teaching/coaching guiding the learners. This, compels the Division Office to conduct a seminar- workshop on Bridging the Distance Together, in Support to English Teachers Managing Interrupted Face-Face Instruction. The said activity will be conducted on December 10 – 12, 2020, in the Schools Division Office of Abra 3rd floor conference hall.
2. The ultimate aim of this activity is to enhance teachers' knowledge and skills in managing instruction during this pandemic time.
3. Participants to this activity are key (elementary, and secondary) teachers teaching English from the different districts, and secondary schools of Abra. As to the list of participants, please see enclosure No. 01 to the herein Memorandum.
4. Meals and snacks during the conduct of the activity will be borne by the Schools Division Office, while travel and other incidental expenses in attending the event will be charged to local funds, subject to COA rules and procedures.
5. Service Credits will be given to teacher participants, and Compensatory Overtime Credit COC for the non-teaching personnel, in lieu of Dec.12,2020 which is a Saturday.
6. Identified participants are advised to bring with them their writing paraphernalia. Likewise, registration will be from 7:30-8:30 AM on Dec. 10, 2020.
