DIVISION MEMORANDUM

No. 026 s. 2020

INTERVIEW SURVEY ON THE IMPACT OF THE SCHOOL-BASED FEEDING PROGRAM

To: Chief Education Supervisors, SGOD and CID
Public Schools District Supervisors
Concerned Elementary School Heads
Concerned SBFP School Feeding Teachers
All School Health Personnel
All Others Concerned

1. Despite the challenges in the implementation of the SBFP during the COVID-19 pandemic, this office acknowledges the positive effect and correlation on the performance of learners before and after the School-Based Feeding Program, thus SDO Abra would like to conduct survey on the impact of the program.
2. The objectives of this interview survey is to assess the outcomes and impact of the SBFP in terms of its stated education and nutrition goals. The absence of face-to-face classes does not allow us to assess the Body Mass Index (BMI) of learner-beneficiaries, thus this office would like to focus more on impact on the academic performance of wasted and severely wasted pupils of the elementary public schools.
3. The survey can be conducted during home visitation. The following are the guide questions in gathering information to seek the parents on SBFP implementation:
 - 1) Explain how your child benefits from the school feeding program.
 - a) Health wise the child has good health
 - b) The child has improved the performance
 - 2) What are the advantages of the school feeding program?
 - a) Their performance improves
 - b) Their health improves
 - 3) How has been the performance of your child since he/she joined SBFP?
4. A two-pages (2) Narrative Report of the interview survey will be submitted to the Schools Division Office on or before February 15, 2021.
5. For dissemination, guidance and compliance.

GLORIA B. BUYA-AO
Schools Division Superintendent
