Division Memo. No. 143S.2021

To : Chief Education Program Supervisor -CID
 Education Program Supervisors
 Public Schools District Supervisors, School Heads
 Concerned Facilitators/Speakers
 Teacher-participants

Division Virtual Continuous Enhancement Training and Workshop on the Development of Radio-based Instruction Audio Lessons and TVI Video Lessons for the DepEd Abra SILNAG Radio Program via Abra Radio 103.7 joy fm and Distribution

1. The impact of the coronavirus disease 2019 (Covid-19) pandemic on everyone's daily life is beyond one can imagine. As the world continues to grapple with the health crisis, life must go on, and so is learning. In the front lines of blended learning amid the pandemic are heroes without capes – teachers who find all possible means to ensure that no learner is left behind. In-person classes are still prohibited, prompting the department to implement a blended learning approach, with TV and radio-based instruction being one of the three main set-ups; modular and online learning as the other two options.
2. Anchored on regional memorandum number 217 s.2020 on the implementation of IRI-LABID, where The Radio-Based Instruction (RBI) and the TVI are alternative learning delivery modalities using radio broadcast and TVI Lessons as support modalities to the modular learning and in delivering quality instruction for all learners regardless of gender, ethnicity, age and family social status. After the conduct of development, continuous quality assurance, editing and modification processes, the outputs will be aired at Abra Radio 103.7 Joy Fm from Monday to Friday and it will be distributed to Schools as support materials for Self-Learning Modules.
3. Relative to this, the Curriculum Implementation Division, through the Learning Resource Management Section shall conduct the said activity on May 07,08,09,2021
4. The activity aims to;
 - provide opportunities for teachers and Abrenio learners to continuously attain quality instruction and learning through RBI and TVI.
 - assist teachers in crafting school-on-air scripts and in producing quality audio and TVI- lessons using audacity audio editor and filmorapro video editor applications, respectively.
5. Participants are expected to register through online before 7:a.m. on the first day. The registration link will be posted at Libro Ni Abrenio RBI-TVl-Videos facebook account The matrix of schedule of activities is attached to this memorandum for perusal.
6. The Training management team will be given COC for non-teaching speakers/trainers/facilitators/managers while teachers as members of the said team will be Service Credits for May 08 and 09, 2021 which will fall on weekends.
7. Immediate dissemination of this memorandum is deemed necessary.
