Division Virtual Continuous Enhancement Training and Technical Assistance to School Learning Resource Management Coordinators

1. As the world continues to grapple with the health crisis, life must go on, and so is learning. In the front lines of blended learning amid the pandemic are heroes without capes – teachers who find all possible means to ensure that no learner is left behind. To cope with the challenges of the different learning delivery models, teachers continue to find more ways on how to engage and support learners when they can't see and guide them personally. With this in mind, the CID-Learning Resource Management Section strengthens its processes to cater to the changing needs of the Abrenio learners.
2. Relative to this thrust, the Curriculum Implementation Division, through the Learning Resource Management Section shall conduct the said activity on May 06 (virtual), 08, 09 (home-based), 2021.
3. The activity aims to;
 - orient and provide technical assistance to School Learning Resource Management Coordinators on LRMDS Processes in the new normal.
 - assist teachers in implementing their action plan, documenting, accomplishment, preparation of TVI/Video lessons, certification as developers/authors, exploring LR portal and lrmsabra.blogspot.com
 - To submit output on TVI/Video lessons.
4. Participants are the School Learning Resource Coordinators and they expected to register through online before 7:a.m. on the first day. The registration link will be posted at Libro Ni Abrenio LRM Coordinators facebook account The matrix of schedule of activities is attached to this memorandum for perusal.
5. Immediate dissemination of this memorandum is deemed necessary.
