DIVISION ENHANCEMENT TRAINING ON THE USE OF ONLINE/ OFFLINE SIMULATION IN TEACHING SCIENCE

1. The Philippine Professional Standard for Teachers (PPST) recognizes the importance of mastery of content knowledge and its interconnectedness within and across learning areas, coupled with a sound and critical understanding of the application of theories and principles of teaching and learning. Teachers must display proficiency in teaching strategies and technologies to promote high-quality learning outcomes particularly on the *positive use of information communication technology (ICT)* which is one of the strands in the first domain of the PPST: Content, Knowledge and Pedagogy. ICT based instruction by definition is a process by which learners interact with a computer as a key element of the learning process.
2. In this regard, a three-day enhancement training will be conducted to capacitate science teachers on the use of online/ offline simulations in teaching on **August 4-6, 2021 at the SDO Conference Hall, 3rd Floor of SDO Building**. Participants will be divided into two (2) groups to observe the 50% accommodating capacity of the training venue in accordance with the IATF Health Protocols.
3. The participants of this training are eighty (70) selected teachers from the different elementary and secondary schools and ten (10) members of the Technical Working Group as shown in the enclosure. Teacher participants are expected to observe health protocols inside the training venue and requested to bring the following: Learners Material (LM) and Teachers Guide (TG) or any reference materials, laptop and electrical cord.
4. Planning conference for the members of the Technical Working Group (Facilitators/ Resources Speakers) will be conducted on *July 19, 2021* at the same venue for the finalization of topics.
5. Two (2) snacks and lunch will be provided to the participants for the whole duration of the training. All expenses incurred related to the conduct of the two activities will be charged against local funds/ school MOOE subject to the usual COA rules and regulations.
6. Immediate dissemination of this memorandum is desired.
