1. Department Order No. 8 series of 2015 described classroom assessment as an integral part of curriculum implementation. Transportation expenses incurred by the participants will be charged against local funds/ MOOE/ other school funds subject to the usual COA auditing rules and regulations.
4. Participants are expected to bring their own laptops and extension wires, a copy of the MELCs and references in crafting the questions. The output of the training is a contextualized assessment tool which will be utilized as a division assessment tool.
