ENHANCED DIVISION TRAINING-WORKSHOP ON TEACHING READING

TO: Asst. Schools Division Superintendent
 CID Chief
 SGOD Chief
 Education Program Supervisor
 Public Schools District Supervisors
 All Others Concerned

1. After administering the Phil IRI Post test to Grades IV-VI in English, it surfaced that there were 4111 under the Frustration Level, and 692 non readers. Such results are quite alarming that interventions are needed. One of which is the provision of a training - workshop for teachers who are directly involved in the teaching learning processes. One of the Interventions to help our schools lessen the number of non readers and those under the frustration level, is the provision of training/ technical assistance to them. Thus, an **ENHANCED DIVISION TRAINING-WORKSHOP ON TEACHING READING** will be conducted. The activity will be held on **August 22-24, 2023, at Bangbangar Elementary School, Bangued, Abra.**

2. The main objectives of the activity are:
- To develop action plans, and intervention materials, for teaching reading in the elementary grades.
 - To enhance the participants' knowledge on the utilization of appropriate strategies in teaching reading, and
 - To conduct and share the same activity to other teachers in their respective schools/districts

3. **Participants to the activity are;**
