DIVISION MEMORANDUM
 No. 278 s. 2019

RENAL DISEASE CONTROL PROGRAM: CONDUCT OF MASS DIPSTICK URINALYSIS FOR GRADE 6 PUPILS

TO: All Public Elementary School Heads

1. The Department of Health in partnership with the LGU - Rural Health Units will conduct a Mass Dipstick Urinalysis for Grade 6 Pupils in all public elementary schools of this Division this month of September. The said activity is in line with the Renal Disease Control Program (REDCOP) of the Department of Health and the Provincial Health Office on the prevention and control of renal and other related diseases.
2. Prior to the conduct of the school activity, there will be a brief orientation on REDCOP, the kidneys, its functions and ways on how to take care of it.
3. School Health Coordinators/OK sa DepEd Focal Persons/School Nurses and Grade 6 teachers shall assist in facilitating the said activity.
4. For information and guidance.

AMADOR D. GARCIA SR., Ph.D.
 OIC-Schools Division Superintendent
