**PARTICIPATION TO THE DEPED FUN RUN: RUN FOR EDUCATION 4**

1. Our call to stand for education was received by our stakeholders with much enthusiasm. It recognized the efforts of our school leaders and teachers to make quality education accessible to all. It intensified our call for partnership and strengthened our thrust towards delivery of basic education services.
2. However, there is a need to level-up our methods and upgrade our tools in engaging both our internal and external stakeholders. There is a need to transform the stationary act of standing to a more dynamic action of running. It is necessary that school heads, teachers, and educational partners should once again come together and take action to deliver the message of access, quality and governance as well as to transcend partnership beyond cultural and geographical boundaries.
3. Thus, in order to provide an avenue for teachers, school leaders and educational partners to come together in the delivery of basic education services and to support the different DepEd PAPs, the DepEd Fun Run: Run for Education 4 will be held on February 15, 2020. It specifically aims the following:
  - engage the teachers, school leaders and stakeholders in supporting different DepEd programs, activities and projects;
  - provide an avenue for the teachers, school leaders and stakeholders to do physical fitness activity; and
  - raise funds to purchase hygiene kits for Abra CARAA athletes
4. All DepEd personnel and stakeholders are invited to join this endeavor. The SDO personnel are enjoined to participate in said activity as part of the Division Wellness Program. The School heads of the different elementary and secondary schools are tasked to facilitate the participation of their teachers and personnel to this activity.
5. Participants of the Fun Run are reminded of the following:
  - a. Registration fee is 150.00 inclusive of snack, race bib and certificate of participation
  - b. Registration Period is from January 14, 2019 to February 14, 2019. **No on-site registration**
