Conduct of Division Virtual Seminar on CAPABILITY BUILDING FOR MATH TEACHERS: Strategies in Developing the Numeracy Skills and Mathematical Reasoning of K-12 Learners

TO: CID Chief, SGOD Chief
EPS/Action Officers
All PSDS
Public Elementary and Secondary School Heads
Math Teachers

1. The Schools Division of Abra thru the Curriculum Implementation Division will conduct the Division Virtual Seminar on CAPABILITY BUILDING FOR MATH TEACHERS: Strategies in Developing the Numeracy Skills and Mathematical Reasoning of K-12 Learners on June 16, 17 and 18, 2021
2. The training generally aims to Provide men and women teachers the underlying learning principles and theories in Mathematics Education: Experiential and Situated Learning, Reflective Learning, Constructivism, Cooperative Learning and Discovery and Inquiry-based Learning. Specifically, this will equip men and women teachers with knowledge, understanding, skills and strategies in developing the numeracy and critical thinking of K to 12 boys and girls learners in SDO Abra. At the end of the training, the participants are expected to:
 - a) Identify strategies and techniques in the development of numeracy and critical thinking of learners in the Distance Learning Modality
 - b) Craft activities suited to the unique learning needs and style of Abrenian learners.
3. The participants of this seminar are all Math teachers in all public elementary and secondary schools in SDO Abra. All Mathematics teachers who belong to one school with strong internet connection will stay in one room and use one account only to access the virtual conference room. For schools without internet connection, the school head will identify one participant among the Math teachers to join the virtual seminar. Separate virtual conference room for secondary and elementary participants will be provided. The technical Working Group and resource speakers will report to the Division Office conference Hall second floor.
