Division Memorandum  
No. 138 , s. 2023

**ESKWELA NI ABRENIO PROGRAM**

To: **Public Schools District Supervisors**  
**School Heads, Elementary and Secondary**

1. In pursuit of the goal of the Schools Division of Abra through the Curriculum Implementation Division that the key result areas are effectively implemented and desired outcomes are attained, Sagut nga Adal kenni Abrenio (CID Mother Program) launches another program ESKWELA NI ABRENIO PROGRAM that shall be implemented this calendar year. This is also in compliance to the principle of School Based Management that addresses improvements in the learning outcomes through effective schools.
2. This activity aims to ensure schools efforts towards the attainment of establishing a child-friendly, motivating and safe environment and school administration towards the attainment of learning through provision of facilitative learning, supportive and a nurturing learning environment and eventually such efforts are given corresponding level of implementation and recognition.
3. This project will look into these three components:
  - a. C- Creating a Connection with the Community through the Principal's Office (This component will showcase the School Heads' Office with the necessary information, data and other documents that every stakeholder internal and external need to see and know);
  - b. I- Instructional Program to Improve Instruction (This component will showcase the different instructional programs that clearly attain the expected outcomes that a K-12 learner has to acquire considering the key stages, performance and content standards through an appropriate learning delivery and learning assessment); and
  - c. D- Development of Design through Learning Parks in the school grounds to promote informal and experiential learning. (This component will showcase the learning parks that can be source of informal and experiential learning- this is the enhanced learning parks (formerly Makabayan Parks) being established in all schools.)
4. Levels of Implementation and Practice shall be monitored, assessed and be given certain levels as follows using a monitoring tool.
