ADVISORY

TO : MEMBERS OF THE PROVINCIAL TASK FORCE IN ENDING LOCAL COMMUNIST ARMED CONFLICT (PTF-ELCAC) OF ABRA

SUBJECT : SCHEDULE OF IMPLEMENTATION OF THE RETOOLED COMMUNITY SUPPORT PROGRAM (RCSP) ACTIVITIES IN SELECT BARANGAYS FOR FY 2023

DATE : May 5, 2023

Consistent with DILG MC No. 2023-046 or the Enhanced Guidelines on the Retooled Community Support Program (RCSP), the RCSP Immersion proper is geared to empowering barangays towards participatory governance by opening community dialogues and exploring available platforms for citizen participation. Major activities of the immersion proper include the conduct of the Ugnayan sa Barangay Community Dialogue, crafting of the enhanced Barangay Development Plan, and the conduct of the Serbisyo Caravan for the resolution of immediate solvable gaps in coordination with relevant line agencies.

The prime information cascaded during the Serbisyo Caravan are the mandates and services delivered by the government and non-government entities. This information and education component of the Serbisyo Caravan is aimed at deepening the awareness of the people in the communities who are difficult to reach using the latest means of cascading information. This is the added value that the Serbisyo Caravan brings - linking communities together.

Relative with this, attached is the schedule of the immersion proper and Serbisyo Caravan of FY 2023 RCSP Target Barangays in the province of Abra.

We appreciate your continued and active participation for the development of our communities.
