TERMS AND CONDITIONS FOR GSIS SERVICING BANK

1. **Eligible Members.** Members as appearing in the Database of the Government Service Insurance System are eligible to enroll under the Government Service Insurance System (GSIS) eCard Program.
2. **Card Maintenance:**
 - a. The GSIS eCard is first and foremost a membership identification card and as such will be required in all transactions of the Member/Cardholder. The GSIS eCard may also be used as:
 - An Automated Teller Machine (ATM) card, in conjunction with a Personal Identification Number (PIN), to withdraw money from ATMs, subject to the availability of interconnection; and
 - A Debit/ Cash Card. When the Member/Cardholder signs a sales voucher or enters the eCard information to pay for goods or services at retailers or suppliers worldwide who accept it, GSIS Servicing bank shall debit to the account the amount of any such transaction authorized in such way. When it is used as an ATM card, GSIS servicing bank shall also debit to the account the amount of any transaction authorized by the cardholder in such way.
 - The Member/Cardholder undertakes to act in good faith at all times in relation to all dealings with the eCard, GSIS and GSIS servicing bank.
 - The total amount of any transactions carried out in any one day shall be limited to such amounts and by such other conditions as shall be notified by electronic means or in writing to the Cardholder by GSIS servicing bank from time to time with effect from the date of such notice. A transaction cannot be canceled by the Cardholder after it has been completed. The Cardholder is not authorized to enter into transactions using the eCard to a value in excess of the credit balance of the account. If GSIS servicing bank is asked to authorize a transaction, GSIS servicing bank may take into consideration any other transactions which have been authorized but which have not been debited to the account (and any other transactional activities upon the account) and if GSIS servicing bank determines that there are or will be insufficient available funds in the account to pay the amount that would be due in respect of such transaction, GSIS servicing bank may in its own absolute discretion refuse to authorize such transaction, in which event such transaction will not be debited to the account.
 - GSIS servicing bank shall not be liable for any loss or courses of action resulting from any such refusal to authorize any transaction. GSIS servicing bank shall not be liable for any loss resulting from the refusal of any retailer, supplier, other bank or card-operated machine to accept use of the eCard in connection with any transaction. No claims of the Cardholder against any retailer or supplier may be the subject of set-off, claim or counterclaim against GSIS servicing bank. If a retailer or supplier makes a refund by means of a transaction, GSIS servicing bank will credit the account when it receives the retailer or supplier's proper instructions and the funds in respect of such refund, provided that GSIS servicing bank will not be responsible for any loss or damages resulting from any delay in receiving such instructions and funds.
